Course Materials: The only book required for this course is T. Wonnacott and R.J. Wonnacott, *Introductory Statistics for Business and Economics*, Fourth edition.

Recommended Software: STATA (www.stata.com); Students can use STATA in the computer lab.

Tests: There will be two (non-cumulative) exams. The exams will be held on July 23 (week 4) and August 1 (week 5).

Grade Structure: The two (in-class) exams will count 45% each. The final 10% will be based on two problem sets. Grades are nominally determined by a weighted average of standardized scores. Thus, naturally professor Jeon reserves the right to adjust grades as he deems appropriate.

Scores	-59	60 -	64 -	67 -	70 -	74 -	77 -	80 -	84 -	87 -	90 -	94 -	97 -
