

Excuses for missed exams must be pre-approved by the instructor. Students who make contact after the exam will have to document why they could not make contact prior to the exam. Any student who misses an exam due to physical illness will be required to provide documentation from a licensed physician indicating why the student was physically unable to take the exam.

Aims and contents of the course:

The aim of this course is to introduce to students further Macroeconomic theories which enables them to understand the main theoretical debates and policy issues in Macroeconomics.
