Course Information

- Description: This course introduces you to beginning microeconomic theory. We will first examine the behavior of consumers and firms in perfectly competitive markets and then briefly discuss monopolistic markets and international trade.

Required Book and Materials:

- Robert H. Frank and Ben S. Bernanke, *Principles of Economics*, 4th ed. (ISBN#: 0073402885). This book will be used for Econ 2 and Econ 3 as well. A UCSD custom edition of the textbook is available at the UCSD bookstore for less than usual price. The UCSD custom edition contains an important appendix to Chapter 5 that is not in the standard 4th edition and is also cheaper. You can also purchase the 2nd or 3rd edition of the textbook, but be warned that the order of the chapters changes from one edition to the other, and it is your responsibility to make that translation.

Evaluation:

- Your grade will be determined based on: Homework (20%), Midterm (30%), and Final (50%).
- Exam Dates (Please mark these in your calendar):
Midterm: 11:00-12:20pm, **May 3rd** (Thursday), in class
Final Exam: 11:30am-2:59pm, **June 12th** (Tuesday), Room TBA
- Homework Assignments: You will have weekly assignments on TED. You can drop the lowest grade at the end of the quarter. If you missed the deadline of an assignment, no make-up will be provided no matter what the reason is. So please get started on the assignment early instead of waiting until the last moment.
- Make-up Policy: There will be no make-up exam available in this class. **You must take the final exam in order to receive a grade in this course.** The date is written above, be sure to mark your calendar. If you miss the midterm exam for a verifiable medical/legal/sports reason, the weight of the **final** exam will increase accordingly. Excuses for missed exams must be pre-approved by Prof. Xie except when it is impossible in an emergency situation. All documentation for proving the claimed excuses must be provided to Prof. Xie within two working days of the student's return to campus. Failure to comply with any of the above will result in a **zero grade** for that exam.

- **Regrade Request:** If you would like a regrade of your midterm exam, please make a request in writing to your TA **within one week** after the exam is returned. You need to state your reason for requesting a regrade clearly. It will be at the discretion of the TAs whether your exam grade will be changed. **There will be no regrading for final.**
- **Grade Distribution:** Total grade will be curved. However, I will not curve individual exam grades. I will offer you some statistics to help you gauge how you are doing in class after each exam.
- **Academic Dishonesty:** Students are expected to do their own work, as outlined in the UCSD policy on Academic Integrity published in the UCSD General Catalog. Cheating will not be tolerated, and any student who engages in suspicious conduct will be confronted and subjected to the disciplinary process. Students found guilty of academic misconduct will receive a failing grade on the exam and/or in the entire course. They may also be suspended from UCSD.
