Evaluation

There will be three exams: two midterms (held out of class) and one final exam. Each midterm will be worth 25% of your grade and the final will be worth 50% of your grade. Midterms will cover incremental material, while the final exam will be cumulative, but will place a heavier emphasis on material from the last third of the course.

Midterm 1 (out-of-class):	Thursday 4/17	7-7:50p	Peterson 108
Midterm 2 (out-of-class):	Thursday 5/15	7-7:50p	Peterson 108
Final Exam:	Wednesday 6/11	3-6p	

Policies

Exam dates are not negotiable. You MUST take the exams scheduled for the section of class you are enrolled in. If you miss a midterm because of documented illness, sports or legal reasons, the weight of the missed midterm will be added to the weight of the final exam. If you miss a midterm for any other reason, you will receive a score of zero on that midterm. There are no acceptable reasons for missing the final-- if you miss the final, you will receive a failing grade for the course. If you believe that an exam has not been properly graded, you must discuss this with the TA whom graded the relevant part of the exam within two weeks of when exams were first returned to class. Any student found guilty of academic misconduct will earn a failing grade for the course. In addition to this academic sanction, the Council of Deans of Student Affairs will impose a disciplinary penalty. The final weighted points earned will be curved in the assignment of letter grades; the following apply as the *minimum* of the letter grade you can expect to earn based on the total weighted % of points you earn in the course: 98-100%= A+, 93-97=A, 90-92=A-, 88-89=B+, 83-87=B, 80-82=B-, 78-79=C+, 73-77=C, 70-72=C-, 50-69=D, <50% = F
