Quizzes.....	20%
Midterm Examination	30%
Final Examination	50%

❖ Quiz Grade. There will be three in-class, objective quizzes. They will be unannounced. Your lowest quiz score will be dropped, and we will calculate your grade based on your two best scores. If you miss an in-class quiz, you will **not** be able to make it up. The quizzes will be administered at the start of class and therefore it is imperative that you be there promptly when class begins.

❖ The midterm and the final examinations will have the same format. There will three sections: identifications, multiple choice, and short answer. The final is cumulative.

❖ We cannot make arrangements for alternate final exam times due to multiple exams scheduled closely together. Check your exam

schedule now for possible conflicts.
